

## **Auto Tech EL 12 - Assignment #2**

---

November 12<sup>th</sup>, 2009

Your mission is to search the web in the next few weeks, to collect information, and give a written report to the teacher on your findings. The deadline is December 10<sup>th</sup> 5:00pm. This assignment is worth 20% of the Term grade.

Use the same classic/vintage vehicle (pre-2000) that you used in Assignment #1.

Your vehicle needs some parts replaced on it. So where do you find them? Search the web for sources to purchase parts. You need to find at least three Companies that list available parts and three private (e-bay) offers. Also show the shipping/customs charges too. You need to find the following list of parts: Starter, Headlight Assembly (lens & bulb) and a right front fender.

### **Assignment Includes:**

1. Cover page includes: vehicle year, make and model. Vehicle logo, student's name, class, block and date submitted.
2. Data pages includes: One page per part minimum, listing the part required (Starter, Headlight Assembly (lens & bulb) and a right front fender) and listing a min. of three Companies and three private (e-bay) offers on each of these pages. Must include: Names, addresses, phone/Fax #s, etc. prices, shipping/customs fees and the web site.
3. Reference sources: Print out only one page for each part source per item.

Note: Use size 12 font, 1½ line spacing, with 1" margin on all sides
