

Auto Tech EL 12 - Assignment #3

February 4th, 2010

Your mission is to search the web in the next few weeks, to collect information, and give a written report to the teacher on your findings. The deadline is February 25th 5:00pm. This assignment is worth 20% of the Term grade.

1. Select a vehicle that you would be able to buy in the next five years. (Be realistic - No Vipers!!) Student's whose parents work at a Dealership may not use any of those Models.
2. Beside your name (Classroom Bulletin Board) write down your choice. Only one model per student, so first come first choice. (In other words, eg; Civic means ALL versions of the Civic) Model: _____
3. Search the Web (Manufacturer) for your choice of vehicle, and find as much information as you can on vehicle: options, engines, transmissions, interiors, and colours. Also Purchase price and payment plan options including Leasing. The more information you collect the better your mark for this assignment

Assignment Includes:

1. Cover page includes: vehicle year, make and model. Vehicle logo, student's name, class, block and date submitted.
2. Summary pages includes: A summary in your own words of all data collected. (1/2 - 2 pages in size 12 font, 1½ line spacing, with 1" margin on all sides). Vehicle year, make and model. A purchase cost (list payments plans) of model researched. Example:
MSR (Manufacturers Suggested Retail) price: _____
Rebate: _____
(A) Down Payment: _____ Monthly Payment: \$_____/____years
(B) Lease Option Payment: _____/____years Buyout Option: \$_____
3. Reference materials: Print out all the pages of relevant materials you find.
4. Picture pages includes: (1 – 2 pages) either colour or black/white.
5. Reference list page includes: a list of all web site addresses searched with relevant materials. (Can be listed on bottom of printed pages)

Marking Criteria:

Using 5-point grading scale on:

Cover page, summary pages, reference materials, picture pages, and reference list page.
